*we can do for you?*

### **The Partner Programme**

The Partner Programme has been created by The Money Shop to offer an added benefit to businesses around the UK. The service gives your staff preferential rates on our foreign exchange services in store. It's simple; telephone your local Money Shop store to pre-order your currency. Our friendly staff will then advise you when your currency can be collected. On collection bring in your Money Shop Plus card which will identify you as one of our partners and you will be given our preferential rate.

For further information or to arrange a meeting please contact Kelvyn Lien-Hicks, Director of Partnerships.
